Parenting tip of the month!

*Enjoy the season without
becoming overwhelmed.*

♥ Make Room for Big Feelings
and be prepared for them:
Excitement can sometimes look
like silliness, extra energy,
meltdowns, or difficulty listening.
Remember, little ones are still
learning how to manage those big
feelings. Offer patience, comfort,
and gentle reminders.

When your child's excitement
starts to turn into overwhelm,
sometimes the best thing you can
offer is a calm adult, a little quiet
time, and a reassuring hug.
