This water bottle is just an example of what we are looking for. It is dishwasher safe, spill-proof, and lightweight. It has simple parts (lid and cup, NO STRAW/INSERTS) in order to keep the water bottles clean and free of mold/dirt/etc. It has a sip spout to help eliminate biting or chewing on the plastic straws/spouts.

Welcome to the 2026/2027 school year at
Hearts and Hands Montessori!

We appreciate your investment in your child's education.

--A **SIMPLE** water bottle (see insert at bottom for example) WITHOUT STRAW/INSERTS.

--Backpacks are always fun, especially for a first-time student; however, they are not necessary for our students. A fun lunch box is a better option (but is not required), as this will be used daily! Please label your child's lunchbox.

--Two sets of extra clothes (top/bottom/underwear/socks) to be kept at school, please make sure to update sizes/seasons throughout the year. Please label these items and put in a labelled Ziplock bag.

--Inside shoes/slippers with hard soles; these are extremely important so that in an event of an emergency we are able to exit the building without having to place 50+ pairs of shoes on students.

--Sunscreen: 1 face stick and 1 spray sunscreen (new students only; current students check with your child's teacher).

School Supplies do not need to be labelled
