Happy Mother's Day

Primary graduation is right around the corner. This time of year just flies by and sometimes it sneaks up on us, I can't believe that it is **MAY** already! Graduation is always a bitter-sweet time for us as teachers and I am sure for you as parents as well.

If you have a child that will be attending kindergarten this Fall, please be on the lookout for additional information about graduation!

We are looking forward to celebrating our soon-to-be-graduates: Wed. 6/3!
