New academic calendar should be released April 2026

Primary:

Presidents/Dental
Health

Pre-K/Toddler:

Shapes/Sizes

**E.T. #4
Rylee #5**

Valentine's Day party will be Friday 2/13 for Primary and Toddler/Pre-K classrooms. If your child would like to bring Valentines to pass out to their friends, please be sure to have them to their teachers by Monday 2/9, so we have time to put their goody bags together. If they do not attend on Fridays, they will have a goody bag to take home their next attended day.

March is right around the corner, which means that Belgrade Kindergarten Round-up will be happening soon!

In the Primary class we have already assessed children academically and will do another assessment early March so that you are aware prior to the "round-up" if your child is prepared for kindergarten. If you have a child in the Primary classroom, I will be scanning their assessments and emailing them to you so that you can see their progress over the time that they have spent in Primary. This will give you an idea of what you can work on at home to assist in preparing them for the Kindergarten transition this Fall. If we feel that a Parent Teacher Conference (PTC) is needed, we will reach out. If you would like to request a PTC, that option will be available to you also. PTC will be held Friday

3/13/26 at 12:30pm, by sign-up.

This weather has been a bit odd for this time of year; thank you for keeping your child prepared for whatever the weather may bring throughout the week. One of these days we might see snow! Please either keep your child's snow gear at school or bring it as the weather continues to surprise us this winter.
